PROFESSIONAL EXPERIENCE

GENERAL PHYSICIAN, P.C., BUFFALO, NY UROGYNECOLOGIST

2013 – PRESENT

Provide full spectrum surgical expertise for female pelvic medicine and reconstructive surgery (FPMRS), offering strong clinical support and care.

- Knowledgeable of current trends and issues concerning FPMRS, particularly regarding technology advances and business models, educating others, and leading through role modeling superb patient care.

KALEIDA HEALTH

BUFFALO GENERAL MEDICAL CENTER, BUFFALO, NY

2015 – 2019

MEDICAL DIRECTOR OF MINIMALLY INVASIVE GYNECOLOGIC SURGERY

Steered and provided strategic vision and leadership for Minimally Invasive Gynecologic surgery department. Operated as a Medical Director, successfully functioning out of city's largest metropolitan hospital. Created successful interdisciplinary teams to enhance quality of care, expanding educational resources to improve physician expertise and patient care.

- Championed the re-establishment of the gynecology department due to expertise in laparoscopy and robotic surgical skills.
 - Appointed as the Director of Minimally Invasive Gynecologic Surgery Program January 2015.
 - Successfully built Minimally Invasive GYN surgery and Urogynecology program.
 - Using visionary and strategic leadership expertly guided the department, increasing surgery volume from isolated cases to 300+ cases/year.
- Streamlined communication and developed key relationships across functional departments to successfully cultivate a culture of collaboration to navigate complex cases requiring multiple surgical subspecialties.

MCLAREN OBGYN ASSOCIATES, FLINT, MI

2010 – 2013

OBSTETRICIAN/GYNECOLOGIST

- Leveraged unique skill set to launch an innovative Robotic GYN surgery service, applying advanced skills in minimally invasive GYN surgery to promote education and access.
- Resulted in a firmly established Robotic GYN surgery service currently still in operation.

EARLY CAREER: Obstetrician/Gynecologist (Mirnovsky Hospital & Central Regional Clinical Hospital, Ukraine)
